

Carsten on the virus, the vaccine and any v-shaped recovery

Think we'll get a v-shaped recovery from the Covid-19 crisis? Think again. ING's Global Head of Macro Economics, Carsten Brzeski outlines what we think is going to happen over the coming months

The virus, the vaccine but no v-shaped recovery

The global economy is entering a very heated autumn season, with many Vs. V as in virus, V as in vaccine. And will there be a V-shaped recovery? We doubt it. Why? Because after this initial V-shaped rebound, we're seeing almost all economies losing steam now going into the fourth quarter. Watch as ING's Carsten Brzeski reveals our three scenarios for the rest of the year.
