

## Carsten: Why central bankers are now facing some inconvenient truths

Our October ING Monthly is entitled 'An inconvenient truth for central banks'. Watch ING's Carsten Brzeski explain just what he means and read all the articles from this month's publication below

### Watch: The 'inconvenient truth' for central banks

*Are central bankers bluffing when they say interest rates could go higher still? The markets seem to think so. And if that's the case, there could be some nasty surprises around the corner.*
