

Carsten: Why we don't believe in this long-term inflation story

Inflation's back but we don't see it as a major long-term concern. So is the recent bond market sell-off really justified? Answers from ING's Carsten Brzeski as he outlines what's in our latest Monthly Economic Update. And you can read all that [here](#)

Watch: Why we don't believe this long-term inflation story

Is this the moment of great reflation? Is the recent bond market sell-off justified? We've got answers from ING's Carsten Brzeski who looks at what's really going on in the global economy. We don't think inflation's a long-term story. But we do think savings are going to play a vital role in getting economies back on track. So why is a US recovery going to outpace that of the eurozone? Watch this, find out, and read our full Economic Monthly Update [here](#)
