

Economics Live: Tariffs, Trump and Trade - What next for central banks?

Join our live webinar on 3 June. [Sign up!](#)

Live online event

Has the climbdown in US-China tariffs saved the global economy from a painful recession? Do the major central banks no longer need to cut interest rates? Get the answers to these questions and more in our live webinar, looking ahead to the June Federal Reserve, European Central Bank and Bank of England meetings. And of course, we'll look at what it all means for financial markets.
