

Invite: Central banks and the rate cut countdown

Join our economists and strategists on Monday 18 September for a live discussion of this month's US Federal Reserve, European Central Bank and Bank of England meetings. [Sign-up today](#)

The rate cut countdown is on, and while expectations among investors are for the Bank of England to start easing later and act less aggressively than other central banks, we're less convinced

Central bank rates are reaching their peak and the countdown to rate cuts has started. Join our economists and strategists for a live discussion of this month's US Federal Reserve, European Central Bank and Bank of England meetings. We'll run through our expectations and explore what it all means for financial markets.
