

Leering: The risk of new trade conflicts is very real

Trade talks between China and the US are said to be progressing well. But ING's Raoul Leering says the risks of new trade conflicts are very real and there'll be no return to the 'good old days'. In fact, he says 2019 will be the worst year for trade since 2012

Watch: There'll be no return to the 'good old days' for trade
