

Trade wars: Where are we and where are we headed?

As trade tensions rise, just where are we and where could we be headed? Watch ING's Joanna Konings as she explains how a far greater proportion of world trade could be caught up in a trade war

Trade wars: Just where are we

As trade tensions mount and tit-for-tat tariffs are slapped on goods to and from the US, China and the EU, just where are we and where are we headed next? Answers from ING's Senior Economist in Trade Research, Joanna Konings
