

Video: US politics watch, a centrist Democrat to win?

The economic implications of a centrist Democrat winning the US election race in 2020 is one of four scenarios we'll be looking at over the coming 18 months. Watch ING's James Knightley consider the prospects

US politics watch: A centrist Democrat?

A centrist Democrat, such as Joe Biden or Kamala Harris, winning the race for the White House next year is just one of four scenarios we're looking at. So what would the economic implications of that be? James Knightley has the details
