

Watch: A tough call for the Fed amid banking turmoil

As the upcoming FOMC meeting inches closer and financial markets grapple with the fallout from recent events, the Federal Reserve is facing challenges on all sides. Here's why we're narrowly expecting a 25bp move from the central bank next week

US: A tough call for the Fed amid banking turmoil

As US inflation continues to run hot and banking crisis fears loom over financial markets, the outcome of next week's FOMC meeting is a tough call to make. In this video, our Chief International Economist James Knightley highlights a few key possibilities and explains why we're currently anticipating a 25bp move from the central bank.
