

Watch: ECB hawks, the neutral level, and hikes ahead

Yesterday, the European Central Bank announced its first ever 75bp rate rise, confirming both its hawkish stance and a clear determination to hike interest rates aggressively. We're now expecting to see increased upward pressure on interest rates in the near term and another 75bp hike before the end of this year

ECB hawks, the neutral level, and hikes ahead

ECB President Christine Lagarde has prepared markets for several more hikes to come as inflation concerns intensify. With the Bank now seemingly determined to bring interest rates to their neutral level, what's next? In this video, ING's Antoine Bouvet outlines a few of our expectations for the coming months.
