

Watch: Europe's uneven coronavirus recovery

Europe is facing an asymmetrical recovery from Covid-19 as countries prepare the first steps to economic recovery

Europe's uneven recovery

We're seeing the smallest steps towards normalisation in countries worst hit by the coronavirus crisis. But there's a concern that any normalisation is starting to happen more quickly in northern economies rather than those particularly hit in southern Europe, notably Spain and Italy. ING's Bert Colijn has been looking at Google activity data and warns about the dangers of an asymmetric recovery.
