

## Watch: Why we've radically changed our euro forecast

We're revising our EUR/USD profile substantially higher for 2023-2024. It all comes after recent shifts in the outlook for China, the US, and European energy prices. ING's Global Head of Markets, Chris Turner, explains just what's driving his thinking. And you can read more about it [here](#)

**Here's why we're giving our euro dollar forecast a factory reset**
