

Watch: Is Covid-19 about to stop the UK's economic party?

The UK economy has had a good run over the last couple of weeks. And even though, the final stage of the reopening has been delayed, that in itself won't make a huge economic dent. But we're watching for any signs that consumers are becoming a bit more reluctant to socialise once again

James Smith: Is Covid-19 about to stop the UK's economic party?

The UK economy has had a good run over the last couple of weeks. And even though, the final stage of the reopening has been delayed, that in itself won't make a huge economic dent. But we're watching for any signs that consumers are becoming a bit more reluctant to socialise once again.
