

Watch: Sleepwalking into retirement poverty?

Some of the findings of our latest ING International Survey on retirement are shocking, yet not always surprising. Watch the video and download the full report [here](#)

Sleepwalking into retirement poverty - the latest ING International Survey

Not enough of us are planning properly for retirement yet many are still worried they'll have enough money to live on when they're older; it's just the headline-finding of our latest ING International Survey.
