

Watch: Survival of the fittest in FX markets

All the latest from ING's Chris Turner on what could be next for key FX pairs, central bank decisions, and the crucial timing of a further decline for the dollar. Find all the details in our newest edition of FX Talking [here](#)

FX Talking: Survival of the fittest

Following a cautiously optimistic start to the second quarter for FX markets, which currencies stand to perform most strongly? Crucial to this story are both the timing of a further dollar decline and the continued uncertainty surrounding the stability of the financial system. ING's Chris Turner shares his thoughts on which elements could be at play over the coming months.
