

Watch: The tech titans battling for AI dominance

Microsoft surprised markets last week with upbeat results. But its spending on AI development is staggering. That, though, is a feature of all the big tech players investing in the Artificial Intelligence space, from Alphabet to Meta, as ING strategist, Jan Frederik Slijkerman, tells us.

There's more from Jan on AI in the TMT sector [here](#).

The tech titans battling for AI dominance

A renewed battle is going on between the major global tech players over Artificial Intelligence. AI development costs are huge, but so could be the rewards
