

## Watch: Too late to cut? The Fed's inflation dilemma

In our [latest live webinar](#), our team followed up this week's all-important inflation release by sharing their thoughts on the Federal Reserve's rate cut trajectory, the consensus in financial markets, where US inflation and employment could be headed next, and key scenarios for the US bond market

### Too late to cut? The Fed's inflation dilemma

A brief snippet of this week's live discussion between James Smith (Developed Markets Economist), James Knightley (Chief International Economist) and Padhraic Garvey (Regional Head of Research, Americas), where they unpacked all of the latest developments in the evolving [US inflation](#) and monetary policy story.
