

Watch: Why I'm worried about China's growth

Concerned about China's economic growth prospects? ING's Iris Pang certainly is and tells us why as the country's 'Two Sessions' political debate continues in Beijing

Iris Pang: I'm really worried about China

ING's Greater China economist, Iris Pang, says she's very worried about China and its growth prospects. Speaking from Hong Kong, she talks about the country's 'Two Sessions' political spectacle where various aspects of China's outlook are discussed.
