

Watch: Why it's all change for Europe's real estate sector

The past few years haven't been easy for Europe's real estate sector, but 2026 looks set to be much more positive. ING's Senior Sector Strategist, Jesse Norcross, tells us why he's becoming increasingly upbeat about its prospects.

Why it's all change for Europe's real estate sector

2026 is shaping up to be a strong year for Europe's real estate markets. Momentum is building, conditions are stabilising, and many of the headwinds of recent years are finally easing. That said, there are still some challenges out there. Here's what's happening...
