Webinar: ING's 2026 FX Outlook

As the dollar continues to recover from its April losses, investors are asking: how much further can it go? And in what may be a low-volatility environment, which currencies are best positioned to challenge dollar dominance? Join our expert panel as they unpack these questions and more. Sign up [here](#)

As the dollar continues to recover from its April losses, investors are questioning how far it can appreciate from here. Has the buy-side now got appropriate hedge ratios for its US holdings? And which currencies look best suited to chip away at dollar supremacy in what could be a low volatility environment?

Join **Chris Turner** (Global Head of Markets and Regional Head of Research UK & CEE), **Francesco Pesole** (FX Strategist), **Frantisek Taborsky** (EMEA FX & FI Strategist) and **Deepali Bhargava** (Regional Head of Research, Asia-Pacific) to explore these themes.

The event will be hosted by **Rebecca Byrne** (Deputy Global Head of Editorial and Supervisory Analyst)

You'll learn:

- ING's views on the main themes driving core FX trends in 2026
- How fundamentals will make a comeback for G10 currencies

THINK economic and financial analysis

- The outlook for carry, especially within the EMEA space
- Whether high-yielding Asian FX will continue to lag
- How far the metals rally can drive Latam FX gains
