

## Webinar: Too late to cut? The Federal Reserve's inflation dilemma

Join us for a live webinar after the key US inflation release on Tuesday, 12 August, as we examine the data and explore what it could mean for the Federal Reserve's next move in September and beyond. [Sign up here](#)

President Trump has said the Fed is too late to cut interest rates – and July's [shock jobs report](#) suggests he could be right. Is a September rate cut now inevitable? Or will a summer inflation surge stop the Fed in its tracks?

Join us right after July's all-important inflation release for a live discussion between **James Smith** (Developed Markets Economist), **James Knightley** (Chief International Economist) and **Padhraic Garvey** (Regional Head of Research, Americas) as we unpack:

- The chances of a September Fed cut and how far rates need to fall
- What's next for US inflation and employment

- How financial markets are pricing the Fed cycle
- Key scenarios for the US bond market
