## Listen: Covid-19 - The lockdown, the recession, the recovery

In this podcast, ING's chief international economist James Knightley discusses the potential hit to growth and possible path for recovery under four coronavirus scenarios

### Four scenarios

President Trump extends social distancing in the US until the end of April. But like other countries around the globe, the move to limit the spread of the virus will come at a severe economic cost. In this podcast, ING's chief international economist James Knightley discusses the potential hit to growth and possible path for recovery under four coronavirus scenarios.
