

Watch: Viraj Patel on politically driven FX markets

To mark the launch of ING.com/think, our FX strategist on politically driven markets

Watch: Viraj Patel on politically driven markets

What is ING's FX Strategist, Viraj Patel thinking about? To mark the launch of our new economic

and financial analysis website, www.ing.com/THINK, he says it's striking how markets are now so politically driven, whether it's North Korea or resignations at the White House. He says it's his job to add the artistic imprint onto currency markets.
